PINEWOOD VISION, VALUES AND AIMS

A vision for the whole School incl. the EYFS

Vision: To be recognised as the leading independent co-educational, 3–13 day, regular and weekly boarding school in the area.

Aim: To release the potential of Pinewood children by developing character, curiosity, learning and skills through a variety of opportunities that present themselves within the academic, sporting, musical, dramatic and artistic arenas, as well as through our activity and adventure programmes and approach to boarding.

Values: The Pinewood co-educational philosophy; country location; flexible approach to boarding; size and high levels of pastoral care, as a result of an excellent teacher to pupil ratio; all combine to create an environment that allows Pinewood children to enjoy a happy, secure and fulfilled childhood that engenders courteous, kind, cultivated and considerate children who possess a degree of independence and a bedrock of traditional Christian values.
