We had a wonderful closure on 25th October. It was the official closing date communicated by the Ministry of education till 6th January God willing.

We had twenty nine [29] candidate who sat for the final exam this year. The exam began on 28th and ended on 31st October. It was a competent class and we are expecting better results in a month's time. We will be very happy to share with you.

We also had a staff meeting to strategies next year academics plans. It was a well-organized meeting and contribution was beyond expectation so we hope next year will be good.

*Without this support, and the many other individuals who support Shonda, none of this would be possible. From the parents, pupils, teachers and staff at St John's School and the representatives of Shonda UK, **Thank You.***

We all wish you a Merry Christmas and a wonderful Happy New Year"

Thank you all in advance for your contributions at the Twelfth Night Performance and the end of term Pinewood Carol Service.

We will have a Shonda stall at the Christmas Fair – come and find us!!
