Cricket helmets, bags, bats, gloves, pads, abdo guards and relevant undergarments can be purchased from any leading high street sports outlets. Pinewood does provide the odd team bag of backup equipment for those children who do not have their own but it is advised to invest in the appropriate equipment for your child's age and ability from Year 5 upwards.

While these lists remain the recommended attire from a school perspective we are happy that parents, at their discretion, make informed choices from either list to accommodate a child's preference and to support his/her well-being
